SUPPLY CATEGORIES

Products

Australian Honey

Bulk honey supply for distributors, brands and manufacturers.

Oats & Oat Flakes

Oat groats, rolled oats, quick oats and oat flour.

Australian Nuts

Macadamia, almonds and mixed nuts for bulk export.

Raw Timber

Australian eucalyptus and pine species with export compliance support.

Sorghum

Feed and processing sorghum with container or bulk vessel options.

Cotton

Upland cotton bales with HVI grading and traceability.

OPERATING FOCUS

How we support buyers

Specification alignment

Clarify grade, format, packaging and destination requirements before price discussions go too far.

Document coordination

Prepare the document checklist early, including COA, origin, phyto or treatment records where applicable.

Export communication

Keep shipment assumptions explicit: Incoterms, loading format, target window and destination port.

Printable page and PDF version are both available for buyer records.
